## Did You Know That:

- Psalm 118 is the middle chapter of the entire Bible?
- Psalm 117, before Psalm 118 is the shortest chapter in the Bible?
- Psalm 119, after Psalm 118 is the longest chapter in the Bible?
- The Bible has 594 chapters before Psalm 118 and 594 chapters after Psalm 118?
- If you add up all the chapters except Psalm 118, you get a total of 1,188 chapters?
- 1,188 or Psalm 118 verse 8 is the middle verse of the entire Bible?
- Should the central verse not have an important message?

*"It is better to take refuge in the Lord than to trust in man." Psalm 118:8*

**"Be still and know that I am God."**
