Sermon Notes

"Give Us Today our Daily Bread"

Matthew 6:11

1 Kings 17:7-16. What might have been the widow's prayer?

What were her visible options before the story of God came into her life?

"Give us today our daily bread" is so much more than just the grocery store and the food we can get there.

John 6:46-51. Jesus knows that He is that bread.

So how do we rely on God for our spiritual strength within the boundary of a day?

We are not just living in a day. There is something you can say about the _____, and there is something you can say about the _____.

Acts 2:36-38. When Peter preaches on Pentecost, they begin asking what they can do.

Have you decided that you want to become a part of God's story?

When you choose to faithfully respond to Jesus' Gospel in repentance and baptism, God is going to give you two gifts:

1. The gift of _____.
2. The gift of the _____.

Romans 8:13, 26, 28.

All of us *really do want* a successful end to our life's story. Acts 3:19

Exodus 16:4-5.

Attention Members:

We are changing the Puppet room into a Museum and Theatre room. We need tall, wooden bookcases to display the artifacts that the students make. Please let me know if you have a bookcase you would donate to our new classroom. Thanks, Sally Rogers, Heather Downing & Sandy Liles
