A BIG THANK YOU to
The **Christopherson** family
and **Marcia Nickell** for handling
child care during our
EQUIP2019 Workshop.

To My Church Family,
Thank you so very much for
the many cards, calls, plants,
visits and most of all for the
prayers. Our family appreciated
the love shown and all that
made our mom's memorial a
beautiful tribute to her. The
speakers, the luncheon and all
that helped as we celebrated
our mom's 92 years on this side
of heaven. God bless you all!
