*Church,
It is hard to express how thankful I
am for this church family. The love
and concern you have shown
through the many cards I received
were such a blessing. I especially
thank you so much for all the
many prayers —God is so good! I
have a CT Scan soon, will know
the results June 21st.*

Love, Dolores Cliff

Our Perspective of "the-other-guy"

- **Psalm 17:3-5.** Sometimes, it's easy for us in these sermons to get puffed up with notions of our own self-_____.
- The Gospel reminds us that God is not a respecter of _____, and we all need God's _____, too. **Luke 18:9-14**
- We have been called to _____ and to _____, and leave behind those things that harm us. **Hebrew 12:1; Acts 26:20.**
- We have a tendency to vilify the Pharisee and admire the Tax Collector, but that would completely miss the point of the parable.
- What is the parable about? **v. 14.**
- **Luke 19:8-10 & 18:19-21.** We have real life examples of a law follower who left unjustified, and a tax collector who left justified.
- We really need to strive to keep an even keel in our perspectives of who others are, and who we are.
